SUMMARY

Communication Social student and aspiring marketing specialist with hands-on experience leading content strategy for an automotive importer, university journalism projects, and audiovisual production. Combines narrative analysis, advanced AI content tooling, and self-taught video editing to design content that connects brands with audiences and builds loyal communities. Strong cultural fluency in cinema, gaming, and digital trends, applied to storytelling, brand positioning, and social media strategy.

EDUCATION

Universidad Monteávila · B.A. Communication Social · 2024–2028

Current GPA: 17.00 / 20.00

Colegio Los Arcos · High School Diploma, Sciences · 2013–2024

- Senior Thesis: "The Cinematic Universe of Christopher Nolan" — analysis of narrative structures and pop-culture impact.
- Cambridge B2 English Certification.

EXPERIENCE

EGCars — Suzuki Importer, Venezuela

Content Strategist · 2026 – Present

- Co-leading a 3-person digital-marketing initiative building a client-acquisition engine for the launch of Suzuki in Venezuela; serving as the founding content function of an emerging marketing-agency model.
- Developing content strategy across Instagram and TikTok to position the brand, generate awareness, and attract qualified leads.
- Designing creative concepts and visual assets using Canva, Capcut, and AI-assisted ideation (Midjourney, DALL-E) to produce high-volume, on-brand content.
- Preparing pitches and creative proposals to acquire and represent additional clients beyond the founding account.

PROJECTS

Audiovisual Production — Independent & University Work

- Directed and edited music videos, photographic series, and a short-form documentary, applying self-taught cinema and editing techniques.

Universidad Monteávila — Field Journalism Projects

- Produced street-journalism pieces communicating Venezuelan social realities, covering reporting, interviewing, and editorial framing.
- Collaborated on team-based publications addressing local issues through a narrative-driven approach.

Christopher Nolan Cinematic Universe — Senior Thesis (2024)

- Analyzed the narrative structures, thematic patterns, and cultural impact of Nolan's filmography.
- Translated findings into a framework for how franchises and creators build loyal fan communities.

Self-Taught Video Editing & Content Creation

- Ongoing personal projects exploring narrative styles, editing techniques, and trend-driven short-form content for social platforms.
