SUMMARY

Social Communication student with hands-on client-acquisition experience for the market launch of a Suzuki importer: prospecting, pitching new accounts, and producing lead-generation content. At ease approaching people in the field (street-journalism training). Bilingual (ES/EN), fast with digital and AI tools.

EDUCATION

Universidad Monteávila <i>B.A. in Social Communication</i>	2024 - 2028
Colegio Los Arcos <i>High School Diploma, Sciences</i>	2013 - 2024

EXPERIENCE

EGCars - Suzuki Importer <i>Content Strategist</i>	2026 - Present
--	----------------

- Collaborating on a 3-person digital marketing initiative building a client-acquisition engine for the launch of Suzuki in Venezuela; founding content function of an emerging marketing-agency model.
- Preparing pitches and creative proposals to acquire and represent additional clients beyond the founding account.
- Developing content strategy across Instagram and TikTok to position the brand, generate awareness, and attract qualified leads.
- Designing creative concepts and visual assets with Canva, Capcut, and AI-assisted ideation (Midjourney, DALL-E) to produce high-volume, on-brand content.

PROJECTS

Street Journalism Projects | *Universidad Monteávila*

- Interviewing strangers on the streets of Caracas — at ease with cold approaches, active listening, and gathering information in the field.
- Collaborating on team publications that address local issues through a narrative angle.

Audiovisual Production | *Independent & University Work*

- Directing and editing music videos, photographic series, and a short documentary, applying self-taught film and editing techniques.

The Cinematic Universe of Christopher Nolan

2024

- Analyzed the narrative structures, thematic patterns, and cultural impact of Nolan's filmography.
- Translated the findings into a framework for how franchises and creators build loyal fan communities.
